Amacı / Purpose	Bu ders, uluslararası toplumunun ve Türkiye'nin karşı karşıya olduğu güncel uluslararası zorlukların neler olduğuyla ilgili genel bir giriş olarak tasarlanmıştır. Soğuk Savaş bittikten sonra, küresel yeni meseleler sınır ötesi etkiler yaratacak biçimde ortaya çıktı ve bu meselelerin getirdiği karmaşık yumuşak ve sert güvenlik tehditlerini eski günlerdeki gibi kontrol etmek kolay değil. Dolayısıyla bu dersin amacı, sınırların geçirgen hale geldiği ve hiç kimsenin bundan muaf olmadığı bu küresel düzende herkesi etkileyen zorlukları öğrencilerimizin dikkatine sunmaktır. Bu şekilde, bu dersi tamamlayan öğrenciler, aşırı karmaşık hale gelen güncel küresel sorunlarımızı daha iyi anlayabilirler.	This course is designed to provide general introduction and elaboration of the most pressing international challenges facing the world community as well as Turkey. Now that, Cold War is over the rising new global issues are happen to challenge and extend beyond borders or individual states- since it's not easy to contain today's complex soft and hard security threats in one area like in the old days. Hence, the aim of this course is to bring the newly developing challenges that are affecting everyone in this global village of ours where borders have become porous and no one is immune from it, to the attention of our students. By this way, the students when completed this course can have better understanding of our overly complex current global issues.
